

ANSI IEEE C.57.13 STANDARD CURRENT TRANSFORMERS

Kappa offers a range of ANSI IEEE wound primary and bar primary current transformers

- Conforming to ANSI IEEE C.57.13
- Available in bar primary or wound Primary type
- Rated for 60 kV BIL
- Suitable for metering and relaying
- Thermal rating 1.5 at 30C and 1.33 at 55 C ambient
- Ratios ranging from 5/5 A to 600/5A
- Relaying class T10, T30 or T50
- Metering class 0.3B0.5, 0.6B0.9, 1.2B1.8
- Short time rating 75 OCF/1 sec
