

RING CTs OVER INSULATED BUSHING/ WALL BUSHING CTs

- Ring (toroidal) CT s can be used over insulated bushings as an economical alternative to MV CT s
- Can be supplied in tape insulated or resin cast types
- Wall bushing CT s can be offered

Current (A)	Inner diameter mm	Outer diameter mm	Axial length mm max	Remarks
>=75 A	60	159	390	Max axial length is for Multi-core CT s
>=100 A	60	147	390	
>=250 A	72	160	250	
>=200A	130	260	390	
>= 200A	95	195	390
